AMANZIMTOTI mixed martial arts fighters celebrated the third anniversary of CombatCoaching.com in style when they stormed to a clean sweep of victories at the Megalodon Fight Club event in Durban on Sunday evening.

The five-man Team MMA Fighter contingent racked up a perfect five-from-five on the night with Donovan Blom adding the promotion's lightweight title to the stable. Blom captured the title when he caught Tabani Dlamini with a rear naked choke in the fourth round of their thrilling title tilt.

Cameron Meintjies won in his fight in the second round via triangle choke, Wayne Vicory and Matthew Bauer scored TKOs in the first and second rounds of their respective fights and Dansheel Moodley earned a hard-fought unani-

mous decision after an action-packed three-round fight.

"What a great birthday present for CombatCoaching.com with all our fighters winning tonight," said Morne Swanepoel, owner of the gym and head coach of Team MMA Fighter. "We've gone from strength to strength over the past three years to the point where we are now noted as being one of the best MMA facilities in the country. We strive for further cutting edge facilities for our members and with this in mind, we will make a number of exciting upgrades this month such as adding an internet cafe, competition cage and more and improved cross fit stations," said Swanepoel. Explaining the secret behind the gym's success, Swanepoel said, "CombatCoaching.com is a family-run business offering the best in high

mixed martial arts champion Bradley and his brother Dylan, have been invited to travel abroad to train with the world's best fighters and compete against the world's best juniors.

"This is a huge boost for them to be able to train in the USA for their MMA careers. This international trip will be costing in the region of R70 000 so we would like to send out an appeal to anyone or any business who would like to see these two boys achieve what no other junior MMA practitioner has achieved for a monetary sponsorship or donation," said Swanepoel.
